AUCTION 120

DECEMBER 2019

## Auction Details:

**Bids:** Send bids to ATA Auctioneer **Geoff Hassall** by post to **2/30 Vale St, Birmingham Gardens, NSW 2287**, or by email to **auction@timetable.org.au**.

All values are in whole dollars. Initial bids must be received by **5pm Friday 20 December 2019**.

If submitting your bids by post, you should advise the Auctioneer by phone or email in case the postal delivery is delayed.

For the Lots of your choice, write your bid in whole dollars in the 'Minimum Bid' column. It must be not less than the amount shown in the Reserve column. You are encouraged to also enter the maximum you are prepared to pay in the 'Maximum Bid' column.

The reserve price is based on the age and scarcity of the Lot, and includes the cost of packing and postage to the winning bidder.

This is how the processing of the bids works.

1. If your minimum or only bid is the highest bid received, then that bid is successful.
2. If there are multiple bids, and there are no maximum bids equal to or higher than your minimum bid, then your minimum bid is successful.
3. Otherwise, if your maximum bid is the highest of all other bids, your bid is successful and you will pay the value of the second highest other bid plus 20%, or your maximum bid, whatever is the lesser, but not less than your minimum bid..
4. If there is more than one equal highest bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid.
5. If you submit only one bid for a Lot, it is treated as both a minimum bid and a maximum bid in this process.
6. If there is more than one copy available for a Lot, the first (best) copy is allocated according to the normal process. Subsequent copies are then allocated to the next highest bidder at the value of their maximum bid.

The Auctioneer will advise you, preferably by email, of the auction lots where your bid was successful, and the total value of your order. This will be done as soon as practicable after the closing date for bids. Advice will also be sent to any unsuccessful bidders.

ATA members are given a discount of 5% when the total of successful bids is more than \$30, calculated to the nearest 5 cents.

Auction items will be despatched to successful bidders only after payment has been made.

Lots submitted by vendors which are unsold after inclusion in two Auctions will be allocated to the National Timetable Collection or the Distribution List unless the vendor requests their return.

Future auctions will include train, tram and bus DVDs, railway timetables, bus timetables, and more public transport books.

**Codes** used in the Auction Catalogue:

A4, A5, A6, B4, B5, B6, B7 DL: Item is close to these standard paper sizes. F: Folded

EC: Excellent (mint) condition. VGC: Very good condition: only minor marks, tears or creases.

GC: Good condition: has some marks, tears or creases.

FC: Fair condition: has blemishes, but is still readable. PC: Poor condition: Has some pages damaged or missing.

In the lists of route numbers, timetables in separate booklets are separate by a full stop. Timetables in the same booklet are separate by a comma.

## Payment:

**Payment must be received within 7 days** of advice that your bid has been accepted, otherwise the bid may lapse.

Payment by EFT or PayPal is strongly recommended.

All payments and account balances are handled by the ATA Treasurer, Len Regan.

Payments can be made:

by cheque payable to Australian Timetable Association

by PayPal to ATA at **treasurer@timetable.org.au**

or by OSKO, EFT on-line or bank deposit to ATA: Westpac BSB 034 083, account 163088.

The preferred method for payment is for you to maintain a credit account with ATA. Your Distribution List and Auction costs can be deducted from this account. You can top-up the account by any of the payment methods.

Cheques can be posted direct to Len Regan, Treasurer, at 76 Woodville Rd, Mooroolbark Vic 3138.

If paying by PayPal, OSKO or EFT, please send an email to **treasurer@timetable.org.au** and include your name in the message.

## Contributions:

Items in this Auction include contributions from the collections of Robert Thomson, Ian Brady and Alan Websdale, and from duplicates from the National Timetable Collection.

Items for the Auction are always welcome. Please contact Len Regan on **archives@timetable.org.au** or by phone on 0409 209 114 to discuss whether the material you have is suitable for the Auction.

You can choose to donate your material to ATA, in which case any profit made is invested in the on-going work of ATA. Alternatively, you can choose to supply material on consignment, in which case you become the vendor. Auction vendors receive 75% of the successful bid value, preferably credited to their Distribution Service account. The Auctioneer reserves the right to nominate the reserve price, in discussion with you if you wish. Donors of material can request that ATA reimburse them for the cost of sending material to ATA. This option is not available to vendors.
