DISTRIBUTION LIST September 2012

The **AATTC Distribution Service** aims to supply as many current Australian timetables and information brochures as possible. It also provides historical material from Australia and overseas as it becomes available.

These are the main features in this month's Distribution List.

- New **Brisbane train timetables**, available as both print copies and computer files (Item 1).
- Print copies of the **CityRail Working Timetable books**, June 2012 (Item 14). The files for these timetables were included in the July 2012 Distribution List.
- Files for the **Melbourne Metro Working Timetables**, April 2012, available on CD due to the large file sizes (Item 19).
- Metro circulars for **Sunbury electrification** (Items 21, 22, 114).
- New **Transperth train and bus timetables** (Items 28, 69 - 72, 120).
- An extensive range of current **Canadian and USA train and bus timetables and information brochures**, thanks to a recent trip to these countries by AATTC member Geoffrey Clifton (Items 29 - 39, 75 - 86, 122 - 131, 133).
- Recent **bus timetables** from TransLink **Brisbane** (Items 40 - 43), **Townsville** (Items 44 - 45), **Sydney Buses** (Items 46 - 48), **Sydney private operators** (Items 51 - 54), **Melbourne** (Items 59 - 61), and **Tasmania** (Items 63 - 67).

Changes to the Distribution Service

Many thanks to the several AATTC members who have indicated a willingness to participate in the operation of the Distribution List under new arrangements that will apply from November this year.

Further discussions will be held in the coming weeks to work out the details of the new arrangements.

If you would like to accept the position as Distribution Officer, please contact Len Regan by phone or email. You will have several competent assistants, and you will be able to adopt your own method of managing the Distribution Service.

It is a challenging, but very rewarding, position within the AATTC.

Send your order for Distribution List items to Len Regan, Distribution Officer:

- **by mail to:** PO Box 21, Yea Vic 3717
- **by email to:** aatc.do@hunterlink.net.au
- **by phone to:** 0409 209 114, or 03 5797 2493

Limited Stock items are marked with an * in the first column in the Distribution List, beside the Item Number.

If there are more orders than the available stock, a ballot will be held on 15 September 2012.

Credit for the cost of the item will be granted to those who are unsuccessful in the ballot.

Discounts are available to AATTC members:

- 5% for orders over \$10.00
- Additional 5% for large orders over \$30, subject to adequate coverage of costs.

Contributions to the Distribution Service are always welcome, and can be sent to the Distribution Officer at PO Box 21 Yea, Victoria, 3717.

There are several ways in which this can be done.

- If you can send single copies of timetables and brochures, arrangements can then usually be made to request more copies from the operator.
- If you can obtain multiple copies, usually 10 copies are needed to cater for orders, but 15 copies are needed if the item is likely to be popular.

You can request to have the cost of postage for sending supplies for the Distribution Service granted as credit to your account.

If you are not sure about these arrangements, please contact the Distribution Officer by phone or email (details on page 1).

Your **comments and suggestions** about the Distribution Service are appreciated.

They can help to improve the service for all members of the Australian Association of Timetable Collectors.

Change to Code and notation

The notation for items available as computer files has been simplified.

Where an item is available as a file, the code 'CF' (computer file) is shown in the Status column, with the appropriate number of cost points in the Points column.

Where an item is available in print and file formats, please indicate clearly which format you want.

Do Not Throw Away Old Timetables

Old timetables can be a valuable asset for the AATTC Auctions, Distribution Service or the National Timetable Collection.

If you have old timetables that you want to discard, please contact AATTC first.

Len Regan, 03 5797 2493, aattc.do@hunterlink.net.au, will help you decide where best your old timetables can be deposited.
