## Do Not Throw Away Old Timetables

Old timetables can be a valuable asset for the AATTC Auctions, Distribution Service or the National Timetable Collection. If you have old timetables that you want to discard, please contact AATTC first. Len Regan, 03 5797 2493, aattc.do@hunterlink.net.au, will help you decide where best your old timetables can be deposited.

In the November 2013 Distribution List we hope to include most, if not all, of the new train, bus and ferry timetables issued in the Sydney region in October 2013.

### Auction:

**Bids:** Send bids to AATTC Auctioneer **Geoff Hassall** by post to **19 Yara Cr, Maryland, NSW 2287**, or by email to **geoffrey.hassall@gmail.com**.

All values are in whole dollars. Initial bids must be received by the **20<sup>th</sup> of each month**.

For the Lots of your choice, write your bid in the 'Bid' column. It must be not less than the amount shown in the Reserve column.

If this is the only bid for a Lot, you will pay this price.

If there are multiple bidders, but no Alternate Bids for a Lot, the Lot is sold to the highest bidder at that price.

You can enter an Alternate Bid that you are prepared to pay in the 'Alt Bid' column.

If there is more than one bid for a Lot, the Alternate Bids are considered, and the item is sold to the highest Alternate Bid at that price.

If there is more than one equal bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid. The Auctioneer will advise you, preferably by email, of the auction items where your bid was the highest, and the total value of your order.

AATTC members are given a discount of 5% when the total of successful bids is more than \$30.

The **cost of packing and postage** to the successful bidder is **included** in the **Auction bid values**.

Payment must be received within 7 days of advice that your bid has been accepted, otherwise the bid will lapse.

Auction items will be despatched to successful bidders by the Auctioneer after payment has been made.

The topic for the October 2013 Auction will be **Suburban Bus Timetables**.
