Do Not Throw Away Old Timetables

Old timetables can be a valuable asset for the ATA Auctions, Distribution Service or the National Timetable Collection. If you have old timetables that you want to discard, please contact the Australian Timetable Association first. Len Regan, 03 5797 2493, aattc.do@hunterlink.net.au, will help you decide where best your old timetables can be deposited.

New feature in the ATA Distribution List

Hyperlinks to websites. Where these are provided in an item, you can access the item yourself – you do not need to place an order for this. In the pdf file you can click on the link. If you only have a print copy of the list, you need to type the link into your internet browser. However, you may still place an order, if cost points are shown, if you want to obtain prints or computer files from ATA.

This feature is on trial, and your feedback is appreciated, in particular: did the hyperlinks work, and is it worthwhile including these links. Please send your comments by email to Len Regan at aattc.do@hunterlink.net.au.
